**Key Description :** PARKING COMPLAINTS

**Problem Description:**

On 94 May 29 at approximately 1100 hrs. Cst. PANDHER responded to a parking complaint at Bubbles Car Wash located at 82 Avenue -105 Street. After arriving there Cst. PANDHER spoke with the manager Dave, who advised Cst. PANDHER that people from neighbouring bars park their vehicles in the parking lot of Bubbles Car Wash at night and leave them there. He also advised Cst. PANDHER that police had been called many times before in regards to parking problems.

**Problem solving strategies and results :**

After talking with complainant Dave and investigating the parking complaint, Cst. PANDHER advised Dave that there wasn't much that could be done because the property was not marked with any "Private Property" parking signs. Cst. PANDHER asked Dave to call Custom Towing and that they would move the parked vehicles for him.

Cst PANDHER also asked Dave to notify the owners of Bubbles Car Wash to post "Private Property, No Parking" signs along the building and the rear alley so that next time they call the police in regards to a parking complaint something can be done.

A while later, Dave, the manager, called Cst PANDHER and said that he had talked to the owners of Bubbles Car Wash in regards to the suggestion and that they were very pleased with Cst. PANDHER's suggestion. He also advised Cst PANDHER that they had already posted "No Parking, Private Property" signs on their property.
